FOR IMMEDIATE RELEASE

Leroy Walden of McKenney's, Inc. to Speak at Realcomm | IBcon Smart Building Integrator Summit

Atlanta, Georgia — June 8, 2016 — Leroy Walden, Vice President of Technical Systems Sales for the Automation & Control Solutions (ACS) group at McKenney's, will be speaking at the upcoming Smart Building Integrator Summit (SBIS), a pre-conference event before this year's Realcomm and IBcon conferences taking place from June 21-24, 2016 at the San Jose Convention Center in San Jose, CA.

Leroy Walden will deliver a keynote address at the SBIS session titled "Cybersecurity for Smart Buildings – An Integrator's Role and Responsibilities" scheduled for June 21, 2016 from 1:30PM - 6:00PM. This segment will look at cybersecurity from a systems integrator's perspective.

Keynote Session: Cybersecurity for Smart Buildings – An Integrator's Role and Responsibilities

Speaker: Leroy Walden

Venue: San Jose Convention Center

Date: June 21, 2016 (1:30 PM - 6:00 PM)

Leroy Walden has been in the Building Technologies business for more than 35 years and is the current President of InsideIQ Building Automation Alliance. At McKenney's, he is responsible for business development and sales of a full range of Smart Building solutions including building automation, integrated security, energy monitoring, data integration and Business Intelligence for Buildings™.

The SBIS is a half-day summit and workshop designed for system integrators and consultants from Building Automation, HVAC, IT, AV, Multimedia, Digital Signage, Lighting, Security and Industrial Controls who are ready to go to the next level in intelligent building design and delivery. For more information about SBIS 2016 and the specific sessions or their speakers, visit <https://www.realcomm.com/ibcon-2016/smart-building-integrator-summit.asp>

About McKenney's
