FOR IMMEDIATE RELEASE

### **McKenney's Building Performance Solutions a Proud Sponsor of NAESCO's 2016 Annual Conference & Vendor Showcase**

Atlanta, Georgia — November 14, 2016 — We are proud to announce that the McKenney's Building Performance Solutions team is a Gold Sponsor at the National Association of Energy Service Companies' (NAESCO) 2016 Annual Conference & Vendor Showcase taking place from November 16-18, 2016 at The Westin Kierland Resort in Scottsdale, AZ.

This year's conference will focus on "the utility and Energy Service Company (ESCO) responses to complex and often conflicting market signals, the state of the ESCO industry, and the role of Measurement and Verification protocols in the context of market applications." Please join us as we host the Networking Breakfast scheduled for November 18, 2016 in the Vendor Showcase Exhibit Hall to kick off the final day of the conference!

**Event:** Networking Breakfast

**Sponsor:** McKenney's

**Venue:** Vendor Showcase Exhibit Hall at The Westin Kierland Resort

**Date:** November 18, 2016 (7:30 – 8:30 a.m.)

For more information about the 2016 Annual Conference & Vendor Showcase, including the conference agenda, visit <http://www.naesco.org/conference-2016>.

#### **About McKenney's Building Performance Solutions**

McKenney's is the Southeast's most trusted name in facility construction, operation and maintenance. Since 1948, we have been working to better serve our customers at every stage of their buildings, and we currently offer expertise in HVAC, process piping, plumbing, and building automation and controls, as well as service and maintenance. As an energy-saving performance contracting partner, our Building Performance Solutions team provides safe, sustainable, high-quality services and solutions to reduce risk at every stage—from ECM development and IGA support to project implementation and long-term performance. Our own in-house engineering, fabrication, installation and commissioning resources help ensure cost-effective delivery and reduce risk, as we put your project on the pathway to building performance. ## **About NAESCO**

The National Association of Energy Service Companies (NAESCO) celebrates 33 years of advancing the energy efficiency industry. NAESCO is the leading national trade organization representing and promoting the energy efficiency industry in the energy marketplace, the media, and the government both at the state and federal level. NAESCO's active membership consists of key energy efficiency industry leaders representing ESCOs, energy efficiency and energy equipment manufacturers, suppliers, and subcontractors. NAESCO also welcomes as members engineers, consultants, financial/legal/insurance providers, government agencies, and thought leaders from the energy NGO and academic communities. For more information, please visit <http://www.naesco.org/>.
