FOR IMMEDIATE RELEASE

McKenney's, Inc. Receives 2013 Outstanding Subcontractor of the Year Award

Atlanta, Georgia — December 30, 2013 — McKenney's, Inc., the Southeast's most trusted name in facility construction, operation and maintenance, has been selected by Turner Construction Company's Atlanta Business Unit as a 2013 Outstanding Subcontractor of the Year.

Each year, recipients are chosen based on various criteria including Safety, Quality of Work, Project Management, Estimating, and Purchasing Support as well as commitment to Turner Construction Company's policies, procedures and community affairs.

McKenney's was recognized for its performance on the Northeast Georgia Medical Center, including the project team's ability to manage the design and budget through preconstruction, the work done in the field, and overall project management. This is the second time that the company has been honored with this award.

About McKenney's

McKenney's is the Southeast's most trusted name in facility construction, operation and maintenance. For more than six decades, our proven approach has ensured high-quality, energy efficient solutions at every stage of a building—Design, Build, Manage, and Maintain. McKenney's offers expertise in HVAC, process piping, plumbing, and building automation and control systems, as well as service and maintenance. Our in-house engineering, fabrication, installation and commissioning resources ensure cost-effective delivery of the highest quality solutions. For more information, please visit <http://www.mckenneys.com>.

About Turner Construction Company

Turner Construction Company provides building services to clients who value diligence, resourcefulness and creativity in a partner. We maintain a network of offices in North America and around the globe, with a staff of 5,200 employees who work on more than 1,200 projects each year. With \$9 billion in annual construction volume, we rank first or second in the industry's major market segments. For more information, please visit www.turnerconstruction.com.
